

**SELF-ENROLLMENT GUIDE  
FOR NEW Ph.D. STUDENTS**

## BEFORE STARTING

Once the application for your Ph.D. program of choice is approved, you will be notified via certified mail with instructions on how to enroll. Enrollment provides academic monitoring benefits as well as access to the resources relevant to your doctoral research development. It also ensures full compliance with the rules and regulations for Ph.D. studies in Spain.

Since 2015-2016, you may perform the enrollment procedure online with our SELF-ENROLLMENT application (*see page 7 of this guide*).

You only need a computer with access to Internet to become a uc3m student. Do not forget to print copies of your proof of enrollment and tuition fees invoice (*abonarés*), when required.

**PLEASE NOTE:** If you have any issues during the enrollment process, please contact the Doctoral School office in your campus or send an e-mail to [gestiondoctorado@uc3m.es](mailto:gestiondoctorado@uc3m.es)

## ENROLLMENT PERIOD FOR NEW Ph.D. STUDENTS

- For students starting on November 15<sup>th</sup> (first semester)
- For students starting on March 30<sup>th</sup> (second semester)

Please check the enrollment periods on our website: <https://www.uc3m.es/phdprogram/useful-information#enrollment>

*As stated above, there are two official start dates for Ph.D. programs every year: November 15<sup>th</sup> and March 30<sup>th</sup>. These will be used to determine the total duration of your doctoral training.*

## CONTINUING STUDENTS

As a continuing student, you must re-enroll at the beginning of each academic year in order to keep your academic record active; otherwise, your record will be closed and you will be no longer considered a uc3m student. Re-enrollment instructions can be found in our [Renovation guide for continuing students](#).

- Re-enrollment period for continuing students available on <https://www.uc3m.es/phdprogram/useful-information#enrollment>

## TUITION FEES

Tuition fees for new Ph.D. students cover the following costs:

- **Administration fees:** academic record proceedings, ID card issuance, school insurance (for students under 28 years of age), and registrar's office expenses.
- **Academic monitoring** of your doctoral year.
- **Complementary training ECTS credits** (up to a maximum of 40): applicable only if the Academic Commission of your doctoral program deemed these credits as mandatory in your admission resolution.

## PAYMENT OPTIONS

You can fulfill your payment through any of the following options:

- **Bank deposit:** Provide your tuition fees invoice (*abonaré*) at any office of Bankia or Banco Santander in Spain within ten days of enrollment (*Further instructions on how to print your invoice on page 16 of this guide*).

- **Direct billing:** Enter the bank account details where the payment is to be charged, as well as the personal data of the account holder. This option requires the account to be set up in one of the countries within the [Single European Payments Area \(SEPA\)](#) and have an IBAN code. Likewise, your current or term-time address must be within the SEPA zone, and must be also the same address you provided upon enrollment. Direct billing is obligatory if you are applying for a MEC scholarship.

- **Virtual POS (Credit/debit card):** If you do not have an account that meets the above requirements or just prefer to use your credit/debit card, you can pay via online card billing. The credit limit of your card must equal at least the sum of your tuition fees. Otherwise, change your payment option or cancel the enrollment procedure altogether by clicking on the *Disconnect* button.

## SCHOLARSHIPS / FELLOWSHIPS / FINANCIAL AID PROGRAMS

Students with scholarship or financial aid program benefits are allowed to enroll online as well.

**Prior to enrollment**, you must have informed your Postgraduate Office of any prospective scholarship you may have applied for in order for it to be registered in our system by the time of your enrollment at uc3m. Only then will our application be able to make the discount or reimbursement of your tuition fees.

Otherwise, please get in touch with the Doctoral School Office in your campus or send an e-mail to [gestiondoctorado@uc3m.es](mailto:gestiondoctorado@uc3m.es)

## **TUITION FEES EXEMPTIONS AND DISCOUNTS**

If you are eligible for any fees exemption or discount, you must provide valid proof of eligibility at your Postgraduate Office. You may send a copy by e-mail in advance, but the originals must be provided in due time (see deadlines below). Students may have benefits in the cases listed below

- Members of large family status (general or special)
- Students with disabilities
- Victims of terrorism
- Orphans of civil and military servants who perished in the line of duty

## **PART-TIME ENROLLMENT**

Enrollment on a Ph.D. program usually requires full-time commitment. Exceptionally, and for justified reasons, the Academic Commission of your program may authorize part-time enrollment. Tuition fees will be adjusted accordingly.

## **STUDENTS STARTING Ph.D. IN MARCH**

A reduced tuition fee will be applicable to students starting their Ph.D. studies in March (second semester). This fee is valid only for first enrollment.

## E-MAIL ACCOUNT ACTIVATION. ACCESS TO Ph.D. MANAGEMENT AND AULA GLOBAL

Once your enrollment process is completed, your e-mail account must be activated. This is the main communication channel between the university and yourself, and allows you to receive notifications relevant to your training and perform administrative tasks. Incoming e-mails may be redirected to your personal account.

1. First of all, you will need to know your Student ID number (NIA). Please [check it here](#).
2. With your NIA, please [activate your account](#). You will need to click on the third option "In any other case".

**KEEP YOUR USERNAME AND PASSWORD SAFE, AS THESE ARE REQUIRED TO ACCESS ALL UC3M ONLINE STUDENT SERVICES: Ph.D. MANAGEMENT AND AULA GLOBAL**

### Other features of your uc3m e-mail account

These are the most important ones:

**Ph.D. Management (Gestión Doctoral)** allows you to perform, among others, the following tasks:

- **Enrollment.** Annual submission of your Ph.D. enrollment.
- **Ph.D. monitoring.** Publication of your Research Plan (and updates) and activity log. The assessment of your progress by the Academic Committee is registered here.
- **Academic transcript.** Check your classes, credits and grades, as well as your personal data and academic background.

**Aula Global** makes communication easier for you and your Ph.D. supervisors and coordinators. Get access to notifications, teaching material, and guidelines in our virtual student classrooms.

Forgot your password? Retrieve or reset it at our [Password Management service](#) with your [digital certificate](#), electronic ID or password retrieval method. In any other case, send an e-mail to [caso@uc3m.es](mailto:caso@uc3m.es), attaching a scan of your ID or passport and your UC3M username.

## VALIDATE YOUR ENROLLMENT

Once the enrollment process is completed, you must fulfill the payment of tuition fees and provide the following documents, either in person or through regular mail, at the Postgraduate Office in your campus (the first two were already attached to your application for admission). Certified copies are required in some cases. If you cannot have your copies certified in advance, provide these along with the originals and our administration staff will do it for free.

- **Certified copy** of your previous degree certificate (Master's or equivalent), or issuance receipt. *Not required for former uc3m students.*
- **Certified copy** of academic transcript of your previous degree (Master's or equivalent) with grades. *Not required for former uc3m students.*
- **Certified copy** of the certificate issued by your former university or institution stating that your previous degree grants access to PhD-level studies. *Not required for students from Spanish universities.*
  - If these three documents are issued by a foreign institution, they must be provided in either **English or Spanish** (with an official translation attached if necessary).
  - If your former institution is located outside the **European Higher Education Area (EHEA)**, you are required to submit both **your degree certificate and academic transcript** legalized via diplomatic channels or the Apostille of The Hague Convention (when applicable). Please bear in mind that this procedure must be done at the **country of origin**; therefore, **it is strongly recommended to do it well in advance.**

**Find which legalization procedure applies to your country:** [Legalization of Foreign Degrees](#)

- **Certified copy** of documents stating your exemption from tuition fees, when applicable. For instance, proof of financial aid programs or other deductions recognized by the Spanish Administration: Large Family status card, Disabled Identification Card, proof of exemption for victims of terrorist attacks (including their spouses and children) or children of civil and military servants who perished in the line of duty.
- **Ph.D. Written Agreement\***, a document approved by all parties involved in the development of your thesis project (tutor, advisor, Academic Committee, and yourself) stating the fundamental rights and responsibilities within the framework of your project as well as any specific terms (such as confidentiality or copyright clauses, use of research results, conflict-resolution procedures, etc.), that may be relevant for the correct execution of your research. Subsequent annexes may be attached to the original document throughout your doctoral training period if necessary.
- **Ph.D. tutor and/or advisor designation\***. This document must be signed as well by all parties involved.

*\*Templates for the last two documents will be provided upon notification of your admission to the program. Otherwise, you may request these at the Postgraduate Office.*

Document submission deadlines: **November 30** (first semester) and **April 15** (second semester).
