

EUI Trainee for the Web Unit

EUI General Information

The European University Institute (EUI) was set up in 1972 by the six founding Member States of the European Communities to provide advanced academic training to doctoral researchers and to promote research at the highest level. It opened its doors to the first researchers in 1976.

It carries out research in a European perspective in Economics, Law, History and Civilization, and the Political and Social Sciences.

Information on traineeship conditions and grant:

<http://www.eui.eu/About/JobOpportunities/Traineeships.aspx>

The EUI is looking for a trainee to join the Web Unit for the period of one year, ASAP.

Requirements:

- Experience in Web Editing & Creation of Web Sites using most of the following web technologies: Xhtml, Cascading Style Sheets & Javascript.
- Knowledge of one or more programming languages (PHP, Python, Ruby, Java, .Net)
- Experience with Linux systems.

- Ability to work in a multinational team.
- Good knowledge of the English, both written and spoken.

Candidates are requested to send their CV to Veerle.deckmyn@eui.eu and to fill out the application form: <http://www.eui.eu/CS/External/stagiaires.jsp>
