

NOTICE: The information included in this file is for guidance purposes and may help you to decide which subjects to register for:  
 The list shows the difficulty encountered by incoming students of the courses 21/22, 22/23 and 23/24 in passing the courses of the Engineering School:

- 🔴🔴🔴 Fairly Difficult (less than 60% passed)
- 🟡🟡🟡 Difficult -Normal (between 60% and 75% of incoming passed)
- 🟢🟢🟢 Easy-Normal (between 75-90% of incoming passed)
- 🟡🟢🟢 Easy (more than 90% of incoming passed)

These incoming students came from different universities and studies, therefore they have different levels and academic profiles.

The list does not show all the subjects that can be enrolled: only those that have had a number of students equal to or greater than 10 incoming students are included. It is possible that in the list you will find subject codes or subjects that no longer exist and, therefore, cannot be enrolled in the 25/26 academic year.

The courses are listed in order: 1st, by TYPE ( Cross-curricular -communication skills, humanities, information skills, soft skills and spreadsheets; Regular) and 2nd, in alphabetical order of Course name in English. name in English.
