So far so good

Since the course now is Online, maybe 2 hours is a bit too long. If we could for a longer time, then we could split the course for more days and a bit shorter sessions.

It is good

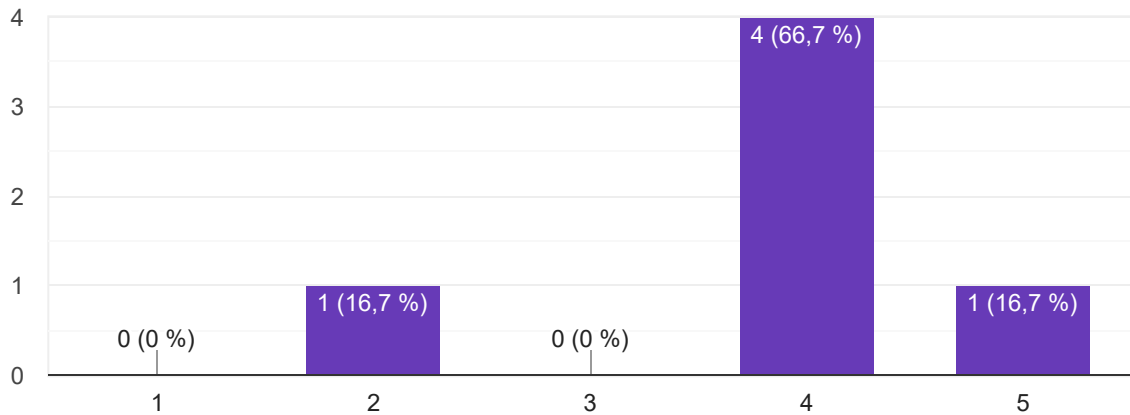

Since the course now is Online, maybe 2 hours is a bit too long. If we could for a longer time, then we could split the course for more days and a bit shorter sessions. But it has pluses too, because we spend less time in transportation (going to Leganes is quite far).

online is good in this pandemic also, help who do not have a lot of time.
