17/12/2020	14/01/2021	Madrid	Universidad Carlos III de Madrid	10	9	9	8	9	9	9	9	The design of idea puzzle software that divided into three main parts and question of each part.	Increasing the interaction between the attendance members.	Make more examples in each research field.	9	9	Make my research organized . And I know which part I am working on. Also ir helps me to specify the research sample.	Adding more languages to facilities using in all over the world
17/12/2020	13/01/2021	Madrid (remote)	Universidad CARlos III de Madrid	10	10	10	10	10	10	10	10	The personal feedback from the lecturer	No		9	9	Resetting topics and assumptions	
17/12/2020	12/01/2021	Madrid	UC3M	9	10	10	9	8	10	10	10	Training in both a methodology and an informatic tool to design and structure your research in an early stage.			10	9	Structure my research design	
17/12/2020	12/01/2021	Online	UC3M	9	9	7	7	8	9	9	8	Thorough valuable methodology A valuable time thinking about the PhD and the research plan. We all were able to find improvements in the methodology.	Improve time management. Put together people working on similar topics, sometimes it is too technic to follow what other PhD students are doing in very different fields.		8	8	Order my thoughts about the PHD and help in planning and finding gaps on the research plan
