6. Which activities or topics did you consider the most attractive or interesting?

5 respuestas

The articulation exercises and how unnatural is public speaking.

The focus on the affective/emotional dimension of communication

Everything was great

The role play when we using the tongue twisters, telling story, and read song.

1. chunking

2. activities where we saw that the emphasis on a different word changed the meaning of the sentence

7. Areas for improvement: please tell us what you think is missing.

4 respuestas

I think if this course had more days, that would be really awesome. Besides that, I think it's pretty neat as it is.

Everything was ok, the professor was awesome

Some tips for future practices.

some exercises regarding our goal, maybe, it'd better than a song, explaining something of our thesis.

8. Your opinion about the teacher, Juan Ignacio Durán:
