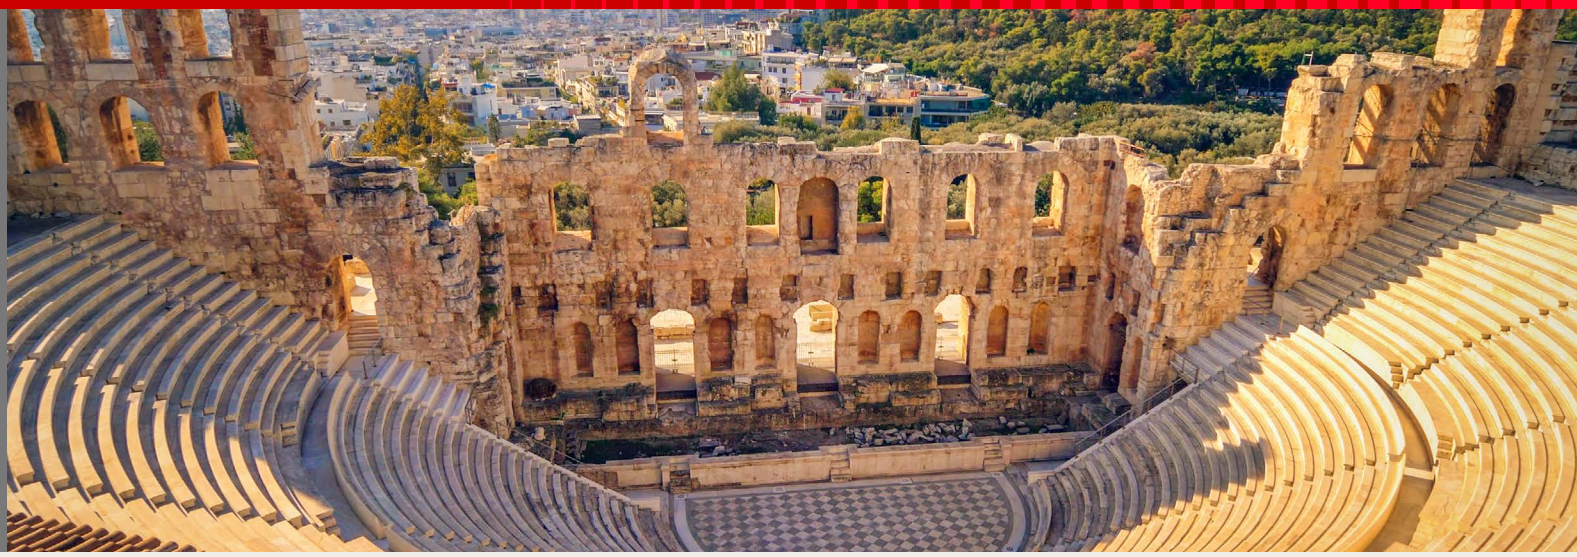
BAINWORKS
October 22–24 | Athens

BAIN & COMPANY

DISCOVER CONSULTING WITH BAINWORKS



Are you a second-year (or later) undergraduate or graduate student? Join Bainworks, an interactive case workshop where you'll explore the world of consulting, collaborate on a technology-focused challenge, and experience how Bain teams solve real business problems.

Who Should Apply

We welcome undergraduate and graduate students who are curious problem-solvers and enjoy working in teams. Students across Europe and the Middle East with strong analytical thinking, an interest in technology or innovation, and a collaborative mindset are encouraged to apply.

What You'll Gain

TEAM EXPERIENCE

Experience Bain's collaborative team environment.

PRACTICAL SKILLS

Learn consulting tools and problem-solving skills.

COMMUNITY & CONNECTIONS

Build meaningful connections with Bain consultants and peers.
