Are you an interdisciplinary candidate with qualifications in Economics, Finance, or Human Resources? Have you studied Information Technology, Web or Graphic design, or Library Sciences? Do you study Aeronautics or Engineering? Your background is Media, or Journalism? You speak Russian or Arabic? Are you able to conduct independent research and analysis? NATO needs your skills!

PRÁCTICAS EN EL CTBTO

(*The Preparatory Commission for the Comprehensive Nuclear- Test-Ban Treaty Organization*) https://www.ctbto.org/ Short form for the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization (CTBTO), the CTBTO was established on 19 November 1996 and consists of a plenary body of State Signatories and the Provisional Technical Secretariat. It is also the formal name for the Comprehensive Nuclear- Test-Ban Treaty Organization which will be established after entry into force of the CTBT. The CTBTO offers a limited number of unpaid internships every year. Interns usually work on specific assignments. Opportunities for internships are available subject to the current needs of the individual Divisions within the CTBTO.

PRÁCTICAS EN EL OIEA

(Organismo Internacional de Energía Atómica) http://www.iaea.org/About/Jobs/internships.html

The OIEA accepts a limited number of interns each year. The internships are awarded to persons studying toward a university degree or who have recently received a degree. The duration of internships is normally not less than

three months and not more than one year. However, a minimum of one month is also accepted.**Fields**: Natural Sciences, Social Sciences/Humanities, Engineering, Information Technology, Administration and Management.

BECAS DEL OIEA PARA MUJERES PROFESIONALES

http://www-tc.iaea.org/tcweb/participation/asfelloworvisitor/professionalwomen/default.asp

http://www-tc.iaea.org/tcweb/participation/asfelloworvisitor/fel_nomination_form_spa.pdf

Con el fin de aumentar la presencia femenina procedente de los estados miembros en el Organismo, el OIEA ha creado este Programa para apoyar a las mujeres en la consecución de estudios postdoctorales, o a recién graduadas en la adquisición de práctica profesional internacional en tecnología nuclear. El programa tiene una duración de 6 meses.

PRÁCTICAS EN EL OPAQ-OPCW

(Organización para la Prohibición de las Armas Químicas) https://www.opcw.org/

The purpose of the internship programme is to expose participants to the activities of the Organisation, and enable them to enhance their educational experience through practical work assignments. The programme also provides the Secretariat with the assistance of qualified students who are specialised in relevant occupational fields. Must be fluent in both written and spoken English. A good working knowledge of one of the other official languages (Arabic, Chinese, French, Russian, and Spanish) is desirable.

PRÁCTICAS EN EL EUISS (Instituto Europeo de Estudios de Seguridad) http://www.iss.europa.eu/nc/actualites/actualite/article/internship-programme/internship/

The main task of interns will be to assist the research team under the supervision of the Research Fellow responsible for the programme. Internships will run for 2 months during the period September

to December 2010. Candidates should have a good knowledge of at least one of the Institute's working languages (French and English). Interns will receive a symbolic stipend of 450 €.

ECONOMIA Y FINANZAS

PROGRAMA DE PRÁCTICAS DEL PNUD (*Programa de las Naciones Unidas para el Desarrollo*) http://www.undp.org/internships/ No remuneradas.

PROGRAMA DE PRÁCTICAS DE LA ONUDI (*Organización de las Naciones Unidas para el Desarrollo Industrial*)

http://www.unido.org/index.php?id=o82311 The programme purpose is to promote a better understanding of our Organization's goals and objectives and, at the same time, to afford interns with an insight on how attempts are made to solve problems confronting developing economies in the area of industrialization. An internship lasts at least 3 to 6 months and can be extended up to 9 months.

PROGRAMA DE PRÁCTICAS EN LA OMS (*Organización Mundial de la Salud*), Ginebra. http://www.who.int/employment/internship/en/

The duration of WHO internships is between six weeks to three months. Exceptionally, internships may be extended up to a maximum of 24 weeks depending on your degree requirements. Unfortunately, WHO internships are not paid and all costs of travel and accommodation are the responsibility of the intern or the sponsoring institution. You possess a first degree in a public health, medical or social field related to the technical work of WHO or a degree in a management-related or administrative field and you are fluent in the working language of the office of assignment.

PROGRAMA DE PRÁCTICAS EN LA OIT-ILO (*Organización Internacional del Trabajo*)

http://www.ilo.org/public/english/bureau/pers/vacancy/intern.htm You should be able and interested to adapt to an international, multicultural, multilingual environment and have excellent communication skills. As an intern you need to be able to work fairly independently as well as part of a team and be initiative and flexible. Any past work experience and knowledge of IT-related work would be an advantage. The length of an internship is usually between three up to a maximum of six months.

PROGRAMA DE PRÁCTICAS EN LA OMC (*Organización Mundial del Comercio*) https://www.wto.org/ Prácticas de cómo máximo 6 meses para estudiantes o recién graduados de entre 21-30 años. Los estudiantes en práctica tendrán un subsidio de 60 francos suizos diarios. Las pasantías se realizan únicamente en Ginebra (Suiza). Los pasantes también se harán cargo de su propio seguro de enfermedad y accidentes mientras estén trabajando en la OMC. La OMC podrá emplear también pasantes no remunerados financiados mediante fondos externos.

PROGRAMA DE PRÁCTICAS EN LA UNCTAD- CNUCED (*Conferencia de las NU sobre Comercio y Desarrollo*)
https://unctad.org/en/Pages/Home.aspx
Actividades: Comercio y productos básicos, Inversión, tecnología y fomento de la empresa, Políticas macroeconómicas, deuda y financiación del desarrollo, Transporte, aduanas y tecnología de la información, África, países menos adelantados, países en desarrollo sin litoral y pequeños Estados insulares en desarrollo.

PROGRAMA DE PRÁCTICAS EN LA FAO (*Organización de las NU para la Agricultura y la Alimentación*)
http://www.fao.org/home/en/ **La Organización de las Naciones Unidas para la Agricultura y la Alimentación** conduce las actividades internacionales encaminadas a erradicar el hambre. La FAO también es una fuente de conocimientos y de información. La Organización ayuda a los países en desarrollo y a los países en transición a modernizar y mejorar sus actividades agrícolas, forestales y pesqueras, con el fin de asegurar una buena nutrición para todos.

PROGRAMA DE PRÁCTICAS EN EL BANCO MUNDIAL
https://www.bancomundial.org/El Banco Mundial es propiedad de 187 países miembros y está formada por dos instituciones de desarrollo singulares: el Banco Internacional de Reconstrucción y Fomento (BIRF) y la Asociación Internacional de Fomento (AIF).

PROGRAMA DE PRÁCTICAS EN EL FMI (*Fondo Monetario Internacional*)
http://www.imf.org/external/np/adm/rec/job/summint.htm

El principal propósito del FMI consiste en asegurar la estabilidad del sistema monetario internacional, es decir el sistema de pagos internacionales y tipos de cambio que permite a los países (y a sus ciudadanos) efectuar transacciones entre sí. A raíz de la reciente crisis mundial, el FMI está clarificando y actualizando su cometido a fin de cubrir toda la problemática de la macroeconomía y del sector financiero que incide en la estabilidad mundial.

PROGRAMA DE PRÁCTICAS EN LA CFI (*Corporación Financiera Internacional*)https://www.ifc.org/wps/wcm/connect/corp_ext_content/ifc_external_corporate_site/home Programs IFC hires summer interns each year for a minimum period of four weeks between May and September to work on discrete projects in Washington, DC or in one of IFC's country or regional offices. IFC's summer internships are paid positions. The program is very competitive: we receive about 1500 applications each year, from which 30-40 candidates are selected. Following a thorough evaluation process at the conclusion of the internship, successful interns are encouraged to apply for an Associate Investment Officer, or any other full-time opportunity available after graduation.

BANCO AFRICANO DE DESARROLLO (AFDB)

https://www.afdb.org/en The broad objectives of the program are to provide students with an opportunity to acquire professional and practical experience at the African Development Bank and to provide the Bank with a pool of potential candidates for future recruitment purposes. Applicants must be students, aged between eighteen (18) to thirty (30) years and must be fluent in, at least, one of the Bank's working languages (English or French).

BANCO ASIÁTICO DE DESARROLLO (ADB)

https://www.adb.org/ ADB's vision is an Asia and Pacific region free of poverty. ADB welcomes motivated, open-minded and self-directed individuals to apply for internship assignments in ADB. The Internship Program is a project-oriented learning opportunity for graduate candidates which offer widely-varied assignments year to year depending on business needs. You have two opportunities to apply for the ADB Internship Program in 2011: January-February 2011 and March-April 2011.

BANCO INTERAMERICANO DE DESARROLLO (BID)

http://www.iadb.org/es/carreras/pasantias,1360.html Cada año, el Banco Interamericano de Desarrollo contrata a unos 100 estudiantes universitarios por un período de dos a tres meses. Antes que concluya la pasantía, los departamentos y los pasantes deben entregar un breve informe sobre su experiencia en el Banco y aportar ideas y sugerencias que puedan ayudar a mejorar el Programa en los próximos años. Hay programas de invierno y de verano.

ORGANIZACIÓN PARA LA COOPERACIÓN Y EL DESARROLLO (OCDE).

http://www.oecd.org/document/43/0,3343,en_21571361_45609340_46260651_1_1_1_1,00.html **Young Professionals Programme**: Candidates who are interested in the objectives of the OECD in promoting international policy co-operation, mature enough to understand the issues involved in international work, and who possess the analytical and drafting skills which enable them to contribute to policy-related studies. Candidates must have the nationality of an OECD member country, be under 33 years of age, have an Advanced academic degree in a subject of relevance to the OECD's work and An excellent command of at least one of the two OECD official languages (English and French). Directorates: environment, education, employment, financial affaires, trade and agriculture, etc.

JURIDICO Y DERECHO

exposure to UNFPA operations. It is designed to complement development-oriented studies with practical experience in various aspects of technical assistance.

UNRISD. Instituto de Investigación de las NNUU para el Desarrollo Social http://www.unrisd.org/ The Institute offers a very limited number of internships every year. Applicants, who are studying towards a Masters degree, are advised to have support from a sponsoring university or to be within the framework of an academic programme as internships at UNRISD are non-remunerated.

PRÁCTICAS EN EL OIM (IOM) Organización Internacional para las Migraciones https://www.iom.int/ El programa de prácticas de la OIM ofrece a estudiantes la oportunidad de aprender sobre las actividades de la OIM, adquirir una experiencia laboral inicial y/o preparar una tesis. Asimismo, gracias a las prácticas se establecen vínculos con las instituciones y universidades a las que pertenecen los candidatos/as, que suelen ser estudiantes en último año de carrera o recién graduados, entre 19 y 32 años de edad (la edad promedio es 26 años).

MUJER E IGUALDAD

Comité para la Eliminación de la Discriminación contra la Mujer (CEDAW).
https://www.unwomen.org/enThe Division for the Advancement of Women welcomes interns throughout the year as part of the United Nations internship programme. Interested candidates can apply to work with DAW on gender equality issues under the occupational category "**Social Affairs, Gender Issues and Environmental Affairs**".

INSTRAW. Instituto Int. de Investigación y Formación sobre la Condición de la Mujer
http://www.un-instraw.org/personnel/un-instraw-internship-programme.html The Internship Programme at UN-INSTRAW is designed to acquaint students or recent graduates with gender issues and the work of UN-INSTRAW and of the United Nations in general. Students spend six months (or longer) at the Institute's headquarters in Santo Domingo, Dominican Republic. Some internships can also be carried out "virtually" (i.e. from the intern's home base).

UNIFEM. Fondo de las Naciones Unidas de Desarrollo para la Mujer
http://www.unifem.org/about/internships.php
The **UN Women Internship Programme** offers a small group of outstanding graduate-level students the opportunity to acquire direct exposure to UN Women's work. It is designed to complement women's development-oriented studies with practical experience in various

aspects of multilateral technical cooperation, but also complements other international studies, including law.

MEDIO AMBIENTE

PNUMA. Programa de las Naciones Unidas para el Medio Ambiente, Nairobi. http://www.unon.org/intern_ship/?ses=&ctfo=7&ctid=3&ctsub=16&ctno=INTERNSHIP+PROGRAMME The objectives of the internship programme are to provide current students with important practical experience which complements their field of study, which at the same time will be of benefit to the UN offices to which the intern is assigned and to expose the students to the UN and its policies and programmes and have them become ambassadors of good will.

FAO. Organización de las NNUU para la Alimentación y la Agricultura, Roma. http://www.fao.org/VA/Internship_en.htm Designed to offer on-the-job training opportunities, FAO's Internship Programme exposes students and recent graduates to FAO's work and provides a framework to disseminate further knowledge about the importance and complexity of food and agricultural issues. Interns have the chance to develop and apply their skills and aptitudes within FAO's multicultural environment and in support of organizational results.

PROGRAMA DE PRÁCTICAS DEL PNUD (UNPD):
Programa de las Naciones Unidas para el Desarrollo.
http://www.undp.org/internships/ No remuneradas. Ofrecen a un grupo de graduados con excelente expediente académico la posibilidad de adquirir un conocimiento directo de la misión de la ONU de primera mano. Los estudiantes en prácticas se asignan a distintos servicios para colaborar en estudios e investigaciones en el tema de la cooperación y el desarrollo, aunque también pueden colaborar en temas jurídicos internacionales

SCDB. Secretaría del Convenio de las Naciones Unidas sobre Biodiversidad. http://www.cbd.int/secretariat/vacancies.shtml The Applicant MUST be currently enrolled in a third or fourth year of under-graduate (BA/BSc) or in a graduate or post-graduate programme, submit an endorsement from the Nominating/ Sponsoring Institution and be willing to enrol in the programme on a full-time basis spending five days a week usually for a period of 3-6 months.

UNFCCC. Convención de las Naciones Unidas sobre el Cambio Climático. http://unfccc.int//secretariat/internship_programme/items/2653.php The objective of the internship programme is to provide a framework through which postgraduate students from diverse academic backgrounds may be assigned to the UNFCCC secretariat to enhance their educational experience through practical work assignments. It allows selected candidates to gain insight into the work of the United Nations and provides assistance and training in various professional fields.

CCD-UN. Convención de las Naciones Unidas para la Lucha contra la Desertificación http://www.unccd.int/secretariat/menu.php?newch=l8 Occasionally the United Nations arranges ad-hoc internships for graduate students specialising in a field related to the work of the United Nations. These internships are intended to promote among the participants a better understanding of international problems and give an insight into the work of the United Nations and to provide departments with the able assistance of outstanding young students specialising in a field related to their own work.

PROGRAMA DE PRÁCTICAS DE FIDA (Fondo Internacional de Desarrollo Agrícola) http://www.ifad.org/job/intern/index.htm The Internship Programme aims at promoting amongst the participants a better understanding of the United Nations and IFAD. The programme is meant for recent university graduates or students who specialise in fields of work relevant to IFAD's mandate. Interns are fully involved in the work programme of the Division that has selected them to carry out assignments relevant to their studies under the supervision of an IFAD staff member.
