International mobility

- > UC3M is **1st** university in Spain participating in Erasmus+.
- > For the academic year 2021/22, UC3M offered **2.774** positions to study abroad in European and non European countries.

- > UC3M received around **1.720** exchange students last academic year 21/22

Academic information

- > Different courses for 1st and 2nd semester.
- > Theoretical and practical lessons.
- > Continuous assessment (40% student work, 60% exam).
- > Each module 6 ECTS (on average).
- > International students allowed to take courses **from different Bachelor Degrees.**

and yes, ATTENDANCE IS COMPULSORY

Teaching model for the 2022-23 academic year: **Face-to-face classes**

> Class hours

- All classes in bachelor are face-to-face, except in some cross-curricula courses

> Class organization

- **Master session** - With a mainly theoretical content.
- **Small group session** - For practical work, groups of 40 students enable more direct interaction with the teacher.
- **Laboratories** - In addition, laboratory sessions will be given in some engineering subjects, distributed throughout the semester.

About synchronous online

> Except in some cross-curricula courses. Some transversal subjects may have part of their sessions in an **on-line format and synchronous**:

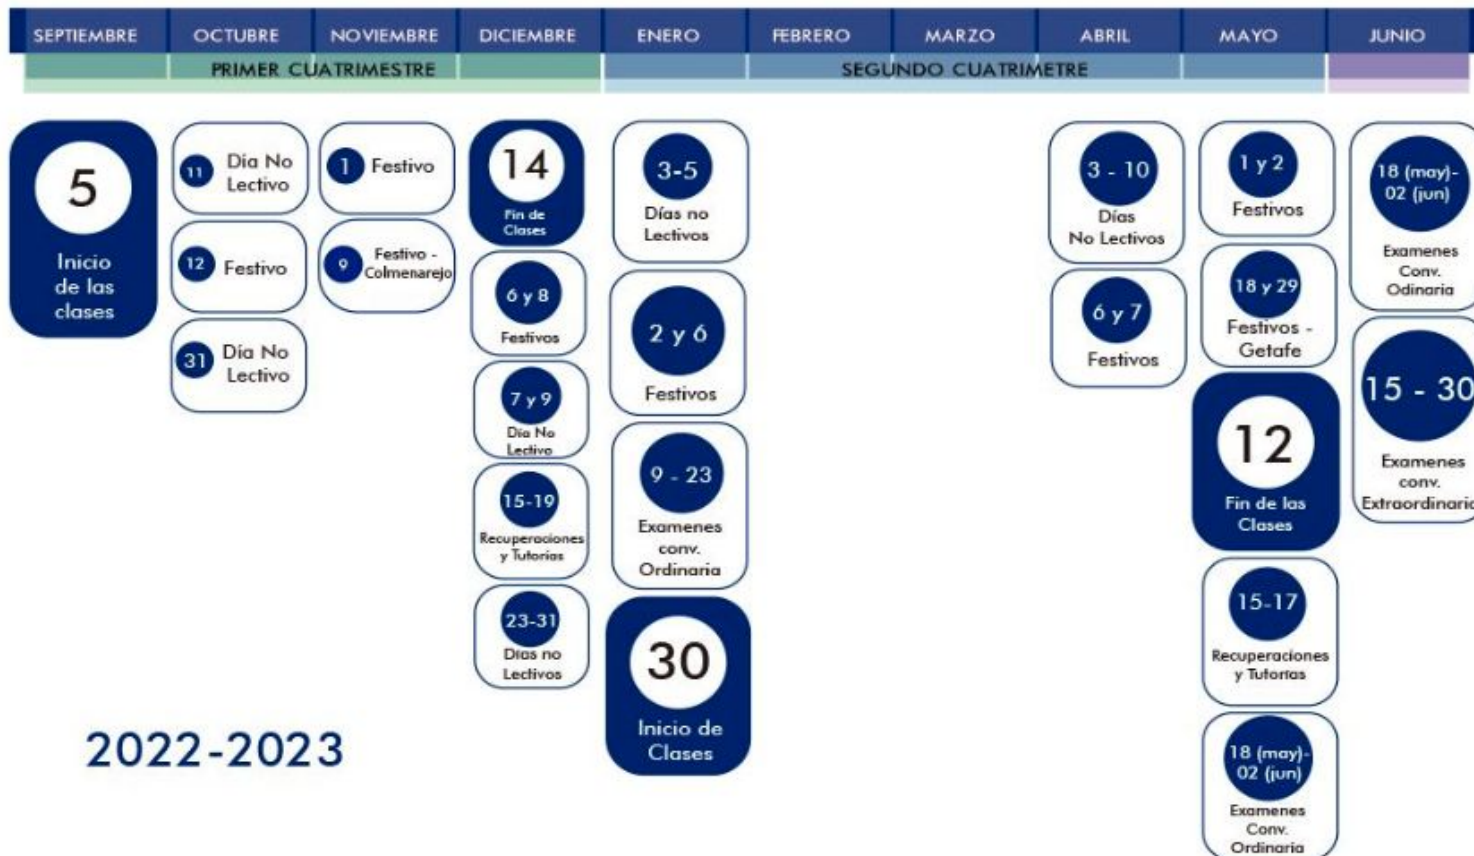

- **Spreadsheets:** depending on the degree, they will have all or some of their sessions in on-line format. The final exam will always be face-to-face.
- **Information Skills:** Most of the sessions will be on-line, although there will also be some face-to-face classes. The final exam will be face-to-face.
- **Humanities Courses:** Face-to-face, on-line and mixed courses will be offered. The modality will be indicated in the schedule, so that you can make your selection at the time of enrollment.

- Students must have appropriate **computer equipment**, with internet connection and webcam, for remote monitoring of classes, in necessary case.
- UC3M Libray has a system of **laptop borrowing**.
- In the University classrooms there are reinforced electrical outlets, as well as a wifi network for free use by the students.
