

## Exciting Summer Internship Opportunity in Cyprus Public Transport (compatible with Erasmus+)

---

### Description

Paid internship programme in Cyprus by which university students of various faculties will perform assigned functions within specific departments, depending on their studies. The Internship Programme aims to provide the knowledge and tools necessary for university students to enter the labour market.

Cyprus Public Transport runs the urban buses in Nicosia and Larnaca. You will be welcomed by previous students that already engaged successfully in a similar graduate's job scheme.

### Requirements

To qualify for an internship, the candidate must:

- Be currently studying for a university degree or have recently obtained one.
- Have an upper-intermediate/advanced level of English.

Interested applicants should send their updated CV to the email [hr@publictransport.com.cy](mailto:hr@publictransport.com.cy). **Applications will be accepted until 29<sup>th</sup> of May 2026.**

### Departments

Candidates will join one of our Company's departments, based on their field of studies. The departments available are as follows:

- **Finance** – They carry out the economic responsibilities of the company.
- **Engineering** – They control the correct maintenance of the bus fleet through a qualified Workshop.
- **IT** – They monitor the operation of the company's computer network, in addition to the hardware.
- **Customer Experience** – Develop customer experience strategies and action plans.
- **Operations** – Manage the operations of the organisation.

### Development of practices

Starting date: between 15 June 2026 - 13 July 2026, according with other participants' availability.

The internships will last between one to three months during the summer period, with the weekly working hours set at 40 hours.

Selected candidates will have a mentor who will monitor their performance. In this way, selected candidates will be able to improve their communication and intercultural skills, acquire non-technical skills that are appreciated in the labour market and develop a more entrepreneurial mentality.

### Financial endowment

We offer the following for successful participants:

- Accommodation in an individual bedroom in a shared apartment
- Free public transport
- Monthly Allowance €300
- Erasmus+ compatibility
