Spring Semester 2026

Tentative List of Bachelor's Modules for Incoming Students

Degree Programmes:
- BSc International Business Administration (IBA)
- BSc Business Administration (BA)
- BSc Digital Business & AI (DBA)

This module list is tentative and subject to change. The BFH Business School cannot guarantee that all modules listed here will be offered in the spring semester 2026, nor that there will be free spots available in them.

Business School

General Information

*This module list is **tentative** only. Nominated and accepted incoming exchange students for the spring semester 2026 shall receive the definitive module list, module descriptions and detailed instructions for submitting their module selection by email **in the December 2025**.*

Module Selection Guidelines

- **At least 12 ECTS** must be completed within the selected degree programme.
- **Additional credits (up to a total of 32 ECTS)** may be chosen **from all available Bachelor-level modules**. Combining modules from different degree programmes is possible.
- All **module requirements** must be met as outlined in the respective module descriptions.
- **Specialized modules require solid prior knowledge** in the respective area of specialization.
- Students are responsible for ensuring that their selection meets the credit and recognition requirements of their home university.

Timetable & Scheduling

- **Overlapping modules are not permitted**.
- Some modules are offered in multiple classes or groups – you may choose the one that fits best.

Limited Spots

- Module places are **limited** and assigned on a **first come, first served** basis.
- Early submission of your module selection is highly recommended.

Group Projects

- Group projects - assignments and presentations – are a very common form of assessment at the BFH Business School.
- Attendance is mandatory on scheduled dates, and all group members must contribute equally.

Module Changes

- Changes to your module selection are only possible during the **first two weeks** of the semester.
- Dropping modules is generally uncomplicated, provided **your home university agrees**.
- Adding new modules ("drop-ins") is allowed only in **exceptional cases**, such as unforeseen timetable clashes or unmet module requirements. Requests must be submitted as early as possible.
- In all cases, your **Learning Agreement must be updated and re-signed** by all involved parties (you, your home university, and BFH), and sent to international.business@bfh.ch by the deadline.

Exam Period

- The official examination period runs **from 15 June to 4 July 2026.**
- All final exams take place **on campus in Bern; attendance on site is mandatory!**

Questions?

- We're happy to help: international.business@bfh.ch

Modules in English – Tentative List for Spring Semester 2026

Module Short Name	Module Name	ECTS	Level	Degree Programme
IACC	Accounting	6	Foundation	BSc International Business Administration
