Housing

Rennes School of Business **housing platform**:

You will find many offers located near the campus from private landlords, residence halls and real estate agencies on the [platform](#). You can make your reservation request directly on the platform with your rental application. The accommodation team will send you the enrolment key allowing you to log onto the platform once you are enrolled at Rennes SB. Should you have any questions, please contact the platform team via the online chat.

Insurance

✓ **Travel insurance**

Students must make sure they have taken out travel insurance with emergency medical evacuation in case of serious health problems, accidents, etc., before leaving their countries.

Please note that Visa requirements often include emergency medical evacuation and repatriation insurance.

✓ **Health insurance**

Each student can benefit from French Social Security for partial refund of medical fees. We strongly encourage all non-European students to subscribe to a **private insurance** for full coverage during their stay in France.

European students have to ask for an EHIC card (European Health Insurance Card) in their home country prior to their departure. It has to be valid for their entire stay in Rennes.

✓ **Accommodation insurance**

French law stipulates that all persons who rent accommodation must have civil responsibility and third-party insurance for their address in France; some property owners include this in their «rental package». If not, the students can buy this from their French bank or from dedicated companies.

Visa

Non-European students will be expected to immediately apply for a student visa (with "**VLS-TS**" reference) as soon as they receive acceptance from Rennes SB. Please note that it can take up to 3 months to get an appointment.

IMPORTANT: the visa must be valid **at least 4 months** even if students come for one semester.

The students will need to check with their nearest [Campus France agency](#), French Embassy or Consulate to start the visa procedure.

✓ **For students with a visa "Etudiant" reference only:** according to French law, it is compulsory to validate the visa **within 3 months following the arrival date in France** with [the OFII](#). It will allow for travel and entitle them to the housing allowance.

✓ Upon acceptance at Rennes SB, students will receive the official acceptance letter in English, its translation into French (for visa purposes) and an additional letter in French for the Embassy / Campus France agency.

Welcome on arrival

The **Well'Come** team is a student association, which welcomes international students and helps them integrate into the school and everyday life in Rennes. It also organises parties, tourist trips (Mont St. Michel, Paris, etc.,) and sports events with French students.
