ACADEMIC CALENDAR

Courses can start as early as September/October and, generally, are held thorough the end of May/middle of June. Teaching activities are divided into two semesters: from September to February and from February to July. There are two half-term holidays, at Christmas and Easter, and a summer holiday in August. As a rule, lectures are given in Italian, but there are some courses held in English.

EXAMINATIONS

Exams are held in January and February for the first term and in June and July for the second term. In September there is a special session. Grades are given on a scale from 1 to 30 cum laude, the minimum grade to pass an examination being 18.

ITALIAN LANGUAGE COURSES

The University offers free intensive Italian language courses for Exchange students before the beginning of the first and the second semester. The placement test for the student coming for the first semester will be held at the beginning of September.
