Not every Inholland location offers accommodation for exchange students. There is a limited number of rooms available through Inholland. More information about accommodation is available [online](#).

Unfortunately, there is a shortage when it comes to student housing in the Netherlands. Students should start arranging their accommodation as early as possible (**at least three months in advance**). The rent price for accommodation in the Netherlands will be between €400 and 900 a month. Most students in the Netherlands live in shared student housing.

## € Expenses

- For the accurate living expenses please check [Numbeo](#) and select your city.
- Health Insurance
  - **EU/EEA students** must obtain an EHIC card pre-arrival. Be aware that this card expires after a few weeks/months, contact your health insurance provider to ask for the validity of the card.
  - **NON EU/EAA students** need to take out an Insurance Passport for Students (AON). In case Inholland applies for your Visa or Residence Permit, the admissions department will take out the AON insurance on your behalf. Be aware that this insurance is taken out usually from 1 February. Before that date, even if you travel to the Netherlands sooner, you are responsible to have your own health insurance! For questions please contact [admissions@inholland.nl](mailto:admissions@inholland.nl)
- [Liability Insurance](#): we highly recommend all students to take out a liability insurance as well.
