<p>Academics</p>	<p>Online Course Catalog https://services.bc.edu/PublicCourseInfoSched/courseinfoschedHome!displayInput.action</p> <p>International students are required to take between 12 to 15 credits each semester, which is approximately 4 to 5 classes. The Office of Global Education (OGE) registers students for classes based on the preferences expressed on the exchange applications. While every effort is made to enroll students in the requested courses, there is no guarantee that students will secure their required/preferred courses. Exchange students should not plan to take classes that are required for graduation at their home institution.</p> <p>Due to high demand, the Economics and Finance Departments will enroll students in only one class. There is also a limited range of classes in the following departments:</p> <ul style="list-style-type: none"> Accounting Business Analytics Communication Computer Science Information Systems Marketing Management <p>Exchange students are urged to be flexible with their course selections and plan to enroll in a broad range of classes. Students may not enroll in classes for which they have not completed the necessary prerequisites or in classes</p>
