Quick guide to PhD admission application

Access the admission web application.

[https://sigma-web.uc3m.es:8443/SolicitudEntradaIDOC.html#](https://sigma-web.uc3m.es:8443/SolicitudEntradaIDOC.html#)

Select the doctoral program of your interest and the itinerary that you prefer. If you are applying for a scholarship, indicate it in the Comments field. Don’t forget to read and accept the data protection disclaimer.
Verify that your personal information is correct.

If you are a former UC3M student, select the record which grants you access to doctoral studies. If you are a student of another university, click on New File and enter the required information. When you indicate your University of origin, use the drop field if the University is Spanish; if it is not, write it on the text field.
Check the requirements and admission criteria of the program of your interest at the website and upload the required documents by selecting each field and then choosing the corresponding document. Check that the document format and size meet the requirements to be uploaded to the application. You will not be able to continue your application if you do not upload all the required documents.

You can indicate who your tutor and thesis director are if you have such information. You can also indicate the lines of research in which your thesis proposal is framed. Please note that this information is optional, and it will be the Academic Commission of the program who will complete this information if you are admitted.
Finish the application and print your receipt by clicking on the highlighted icon.
