Part of Term and Tuition Liability Dates

There are standard Part-of-Term codes designated for courses that meet for the full semester (**1**), the first half of the semester (**1F**), or the last half of the semester (**1L**). Some courses meet for less than the full semester and have modified add, drop, and tuition

liability dates. The part-of term code for non-standard courses will be listed in the section notes on Patriot Web. *Please refer to the chart below for specific add/drop deadline dates. These dates are subject to change.*

Please note: Courses may be assigned to a Part-of-Term code that doesn't necessarily match the exact start and end date for the section. Students should consult Patriot Web for the exact start and end dates for these non-standard courses.

Refer to the [Student Accounts website](#) for more payment policies information and important tuition deadlines.
