

# UFF AT A *glance*

2016 Edition

# General Information

- Date Founded: December 18th, 1960
- Grade 5 (highest) according to the National Evaluation by the Brazilian Ministry of Education (Ministério da Educação – MEC)
- 43.628 students in 130 Undergraduate courses
- 7.439 students in 120 Graduate programs
- Elementary and High School
- 29 Libraries
- 473 Laboratories
- 9 University Units in Rio de Janeiro state
- 6 Distance Learning programs in 28 cities

# General Information

- Advanced campus in Oriximiná, Pará, in the Amazon Region
- University Restaurant
- University Pharmacy
- University and Veterinary Hospital
- Publishing House and Bookstore: EdUFF
- Innovation Agency: Agir
- Accessibility and Incusion Office: Sensibiliza
- UFF Arts Center: Symphonic Orchestra, Ancient Music Group, String Quartet, Theater, Movie Theater and Art Gallery

TEACH *ing*

# Undergraduate Students

Distance Learning:  
8.950 students

Presence  
Learning: 34.678  
students

9.477 yearly  
openings

5.378 openings  
for Distance  
Learning

## **ENGINEERING**

Chemical Engineering  
Civil Engineering  
Agrobusiness Engineering  
Industrial Engineering  
Water Resources &  
Environmental Engineering  
Telecommunications  
Engineering  
Electrical Engineering  
Mechanical Engineering  
Metallurgical Engineering  
Oil Engineering

## **LINGUISTICS, LETTERS AND ARTS**

Arts  
Audiovisual & Cinema  
Languages  
Cultural Production  
Media Studies

## **HUMANITIES**

Philosophy  
Geography  
History  
Sociology  
Psychology  
Education  
International Relations  
Anthropology  
Social Sciences

## **AGRICULTURAL SCIENCES**

Environmental &  
Agricultural  
Engineering  
Veterinary

## **BIOLOGICAL SCIENCES**

Biological Sciences

## **EARTH AND EXACT SCIENCES**

Chemistry  
Industrial Chemistry  
Geophysics  
Information Science  
Environmental Sciences  
Mathematics  
Statistics  
Natural Science

## **HEALTH SCIENCES**

Pharmacy  
Medicine  
Nutrition  
Dentistry  
Nursing  
Physical Education  
Speech Language  
Pathology  
Biomedicine

## **APPLIED SOCIAL SCIENCES**

Law  
Business Management  
Public Administration  
Economic Sciences  
Tourism  
Architecture and City  
Planning  
Journalism  
Advertising  
Homeland Security  
Industrial Design  
Accounting  
Library Science &  
Documentation  
Social Service  
Computer Systems  
Technology  
Archival Sciences  
Actuarial Sciences

# Students Assistance Grants

- Food Grant – University Restaurant Exempted: 132
- Training/Academic Development Scholarships: 1033
- Emergency Assistance Scholarships: 1520
- Disabled Student Assistance Grants: 34
- Transportation Assistance Grants: 116
- Social Scholarships for Foreign Students: 20
- Day Care Assistance Program Grants: 60
- Welcome Assistance Program for newcomers: 486
- Housing Grant Program: 223
- Health Assistance Program: 32
- Sports Scholarship: 14
- High Studies Program: 1
- Arts Program: 11
- PULE (Foreign Language Universalization Program): 800

# RESEARCH

# Graduate Students

Graduate Students:  
4.819 in Master  
2.620 in PhD

Graduate Programs:  
120

Scholarships:1  
.631

## **ENGINEERING**

Civil Engineering  
Biosystems Engineering  
Industrial Engineering  
Telecommunications  
Engineering  
Mechanical Engineering  
Metallurgical Engineering  
Chemical Engineering

## **HUMANITIES**

Political Science  
Culture & Regional Studies  
Education  
Geography  
History  
Homeland Security &  
Strategic Studies  
Social Work & Regional  
Development  
Psychology  
Philosophy

## **MULTIDISCIPLINARY**

Computer Simulation in  
Science & Technology  
Health Products  
Applied Sciences  
Sociology and Law

## **LINGUISTICS, LETTERS AND ARTS**

Arts Contemporary  
Studies  
Arts Science  
Language Studies  
Literary Studies

## **BIOLOGICAL SCIENCES**

Marine Biology  
Applied Microbiology &  
Parasitology  
Sciences &  
Biotechnology

## **EARTH AND EXACT SCIENCES**

Physics  
Chemistry  
Mathematics  
Environmental  
Technology  
Ocean & Earth Dynamics  
Computer Sciences  
Geosciences

## **HEALTH SCIENCES**

Cardiovascular Sciences  
Medical Sciences  
Nursing  
Neurosciences  
Dentistry  
Medicine  
Pathology  
Veterinary Medicine

## **APPLIED SOCIAL SCIENCES**

Communication  
Information Science  
Constitutional Law  
Economics  
Anthropology  
Architecture &  
Urbanism  
Media and Daily Life  
Social Policy  
Business  
Administration

# **Excellence Graduate Programs**

**Literature  
Studies**

**History**

**Geography**

**Education**

**Anthropology**

**Geosciences**

**Language  
Studies**

**Veterinary  
Medicine**

**Chemistry**

**Physics**

**Economics**

OUTreach

# Outreach Projects

Integration of the University with the world, by means of interaction of the academic community with the social context.

**112**  
courses

**11**  
public service  
actions

**115**  
programs

**93**  
events

**538**  
projects

**360**  
scholarships

**869**  
Outreach  
actions  
(in total)

*Undergraduate students return to the community the knowledge acquired in classroom.*

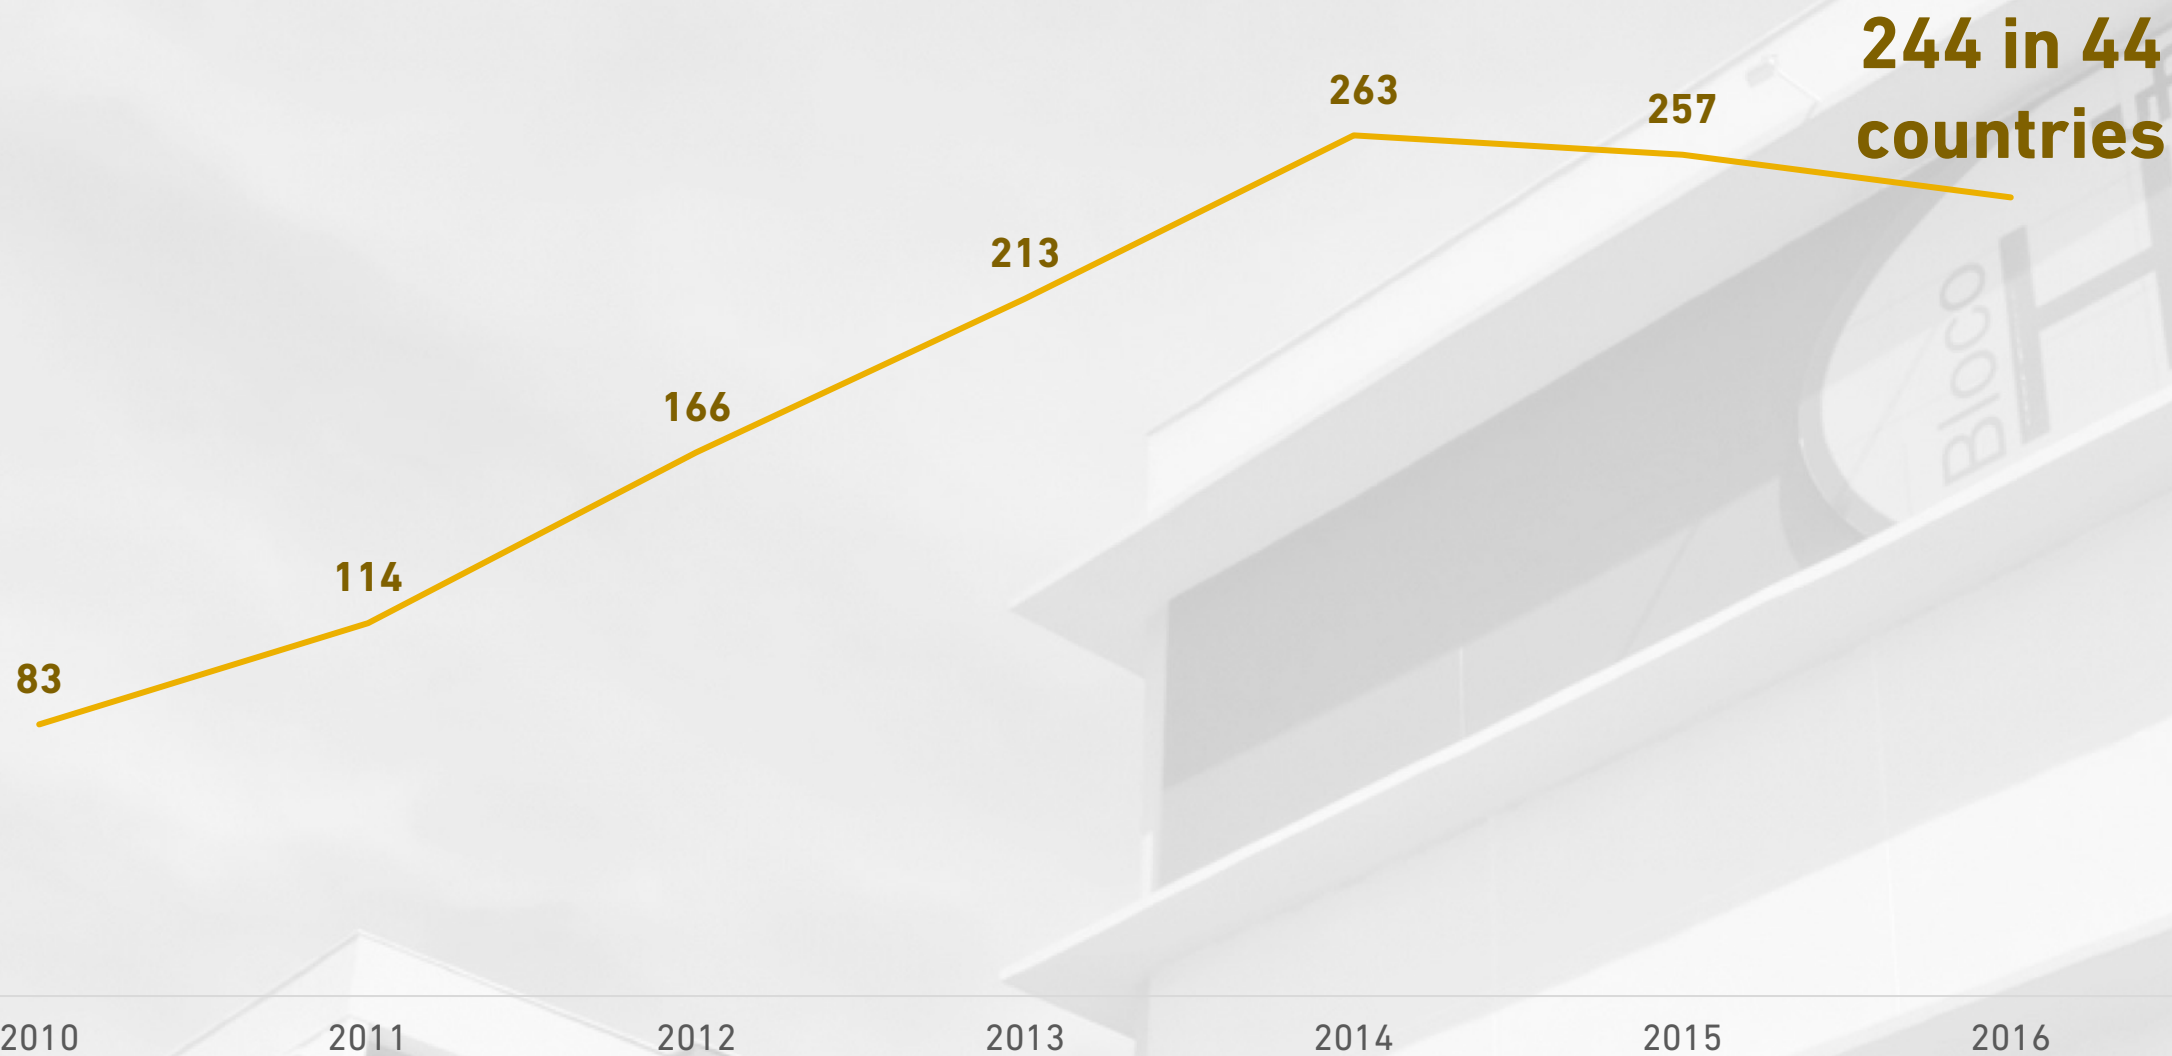

# INTER

# *nationalization*

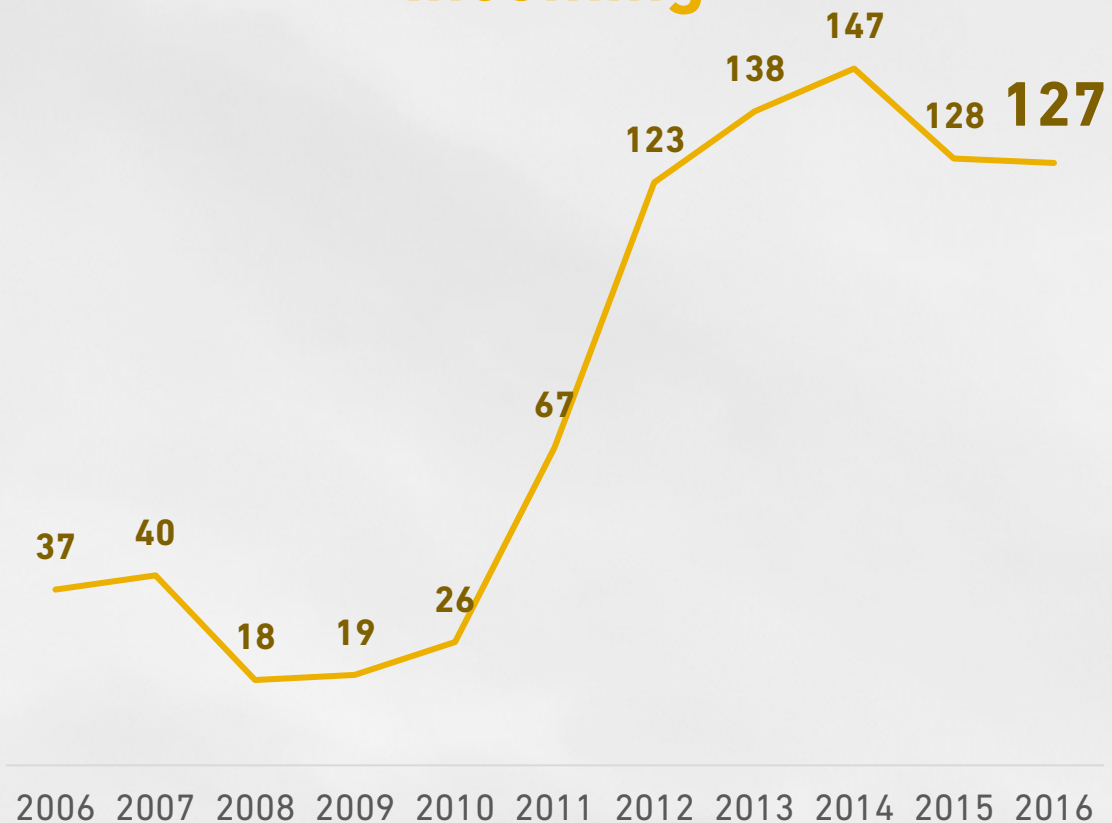

# International Cooperation

# Student's Mobility – Undergraduate

## Incoming

## Outgoing

End of Science Without Borders program

**THANK**  
*you*
