

Horarios del Máster de Ingeniería de la Información para la Salud

2019/2020

	Monday	Tuesday	Wednesday	Thursday	Friday
14:30-16:00	Deep Learning	Machine Learning	Probabilistic Modelling and Inference	Biomedical Image Processing	Biomedical Image Processing
16:15-17:45	Biosignals & Bioimages	Statistical Signal Processing	Biosignals & Bioimages	Statistical Signal Processing	Probabilistic Modelling and Inference
18:00-19:30	Data intensive computing	Data intensive computing	Deep Learning	Machine Learning	

	Monday	Tuesday	Wednesday	Thursday	Friday
			Personalized medicine		
14:30-16:00	Medical image reconstruction	Information Theory	Medical image reconstruction	Speech & NLP	Computer Vision
16:15-17:45	Medical image generation	Speech & NLP	Neuroimaging	Computer Vision	Optimization
18:00-19:30	Surgical navigation and imaging	Optimization	Clinical data	Information Theory	Communication Technologies in Healthcare
