

CHOOSING MEXICO CITY?

- ✓ You can live an amazing experience with the perfect combination between traditions and modernity.
- ✓ We have wide variety of architectural styles from all times and ages, blending colonial heritage with a contemporary and modern approach, looking to the future.
- ✓ With more than 150 museums and more than 50 galleries, the city is a mecca of fine art and treasures that speak of its vast history.
- ✓ Located in the center of the country, you can visit and explore any place you want in the 32 states we have, from lovely beaches to breathtaking landscapes and captivating towns.
- ✓ With so much to see, do and visit, Tecnológico de Monterrey, Mexico City Campus is waiting for you to be part of a wonderful & unforgettable experience!
