

STUDENT PROFILE

MASI is aimed at professionals working in the aerospace industry (giving priority to Airbus Group employees of and subcontractors), and recent graduates (no work experience) in any branch of engineering related to the syllabus, namely.

- Aeronautical/Aerospace Engineering
- Industrial Engineering
- Telecommunications Engineering
- Computer Engineering

APPLICATION

A complete application consists of the following:

1. **MASI Form** (PDF)
2. **Résumé/CV**, including details on:
 - Your educational record in reverse chronological order, indicating dates of attendance and degree(s) earned.
 - Employment history, with titles, dates, and whether you worked part-time or full-time.
 - Foreign Language Proficiency
All participants must demonstrate a good level of English (TOEFL, Cambridge Certificates, IELTS, etc.)
 - International Experience: Erasmus Exchanges, Work experience abroad...
 - Any other relevant information.
3. **Cover Letter**
 - Prepare a cover letter (up to 500 words) seeking a place in the MASI Program. Describe your accomplishments and include an example of how you would be useful to an aerospace engineering organization.
4. **Academic Records** (Transcripts. Only Recent Graduates)
 - It must include the academic average grade.
 - Please scan and upload copies of your academic records.
 - Applicants invited to interview will be required to provide an official transcript from each school attended.
5. **Photocopy of Passport or Identity Document**

Applications must be submitted to masi@postgrado.uc3m.es (Subject: MASI22 Application: [Your Name]), before **May 15th, 2021**.

SELECTION

A Selection Committee, consisting of representatives from UC3M and AIRBUS-Spain, will rank the candidates according to academic and professional criteria.

Universidad
Carlos III de Madrid
www.uc3m.es

NUMBER OF POSITIONS

The number of available positions is limited to 25.

Candidates not selected for admission will be placed on a waiting list by rank order
