SELF-ENROLLMENT GUIDE
FOR CONTINUING Ph.D. STUDENTS
BEFORE STARTING

All Ph.D. students at Universidad Carlos III de Madrid must re-enroll at the beginning of each academic year in the doctoral program of their choice. From 2015-16 on, students may perform this procedure themselves through our SELF-ENROLLMENT online application.

Enrollment period for continuing students: October 1st – 30th

Contact:

- E-mail: informacion@doctorado.uc3m.es
- In person: At the postgraduate information office in your campus.

How to access uc3m’s intranet

To access the self-enrollment application, enter your uc3m student username and the password you normally use to access our online student services (Global Campus, Global Classroom, Virtual Classroom...). We remind you that your username is the same as the name of your uc3m e-mail account (for instance, if your e-mail address is 1000XXXXX@uc3m.es, then your username will be 1000XXXXX).

To retrieve a lost or forgotten password, you must send an e-mail to ayuda@alumnos.uc3m.es with a scanned copy of your passport/ID attached, indicating your username. If you have also forgotten this, you may retrieve both your e-mail address and username by clicking here.

Course selection and fees payment

Since the enrollment process is done on an annual basis, you must select the “Ph.D. Monitoring” course according to your doctoral year (1st, 2nd, 3rd...) and fulfill the administrative and registrar’s fees payment.

PLEASE NOTE: If you are a scholarship recipient but our application shows otherwise during your enrollment process, please get in touch with the postgraduate office in your campus or send us an e-mail to informacion@doctorado.uc3m.es

PAYMENT OPTIONS

You can fulfill your fees payment through any of the following options:

- Bank deposit: You can make your payment in any of Bankia or Banco de Santander’s branch offices in Spain by presenting your tuition fees invoice (abonaré) within ten days of re-enrollment (Further instructions on how to print your invoice on page 21 of this guide).
