The Mentoring Project (www.fau.edu/mentoring)

When we consider our greatest accomplishments, most people can immediately recall the people who inspired, coached, advised, assisted, and cheered them along the way. With more than 20 mentoring programs here at FAU, you can find a mentor or be a mentor.

The Mentoring Project's Connections program pairs new first-year and transfer students with a mentor who is interested in getting to know you as an individual, helping you explore and define your goals, and having you make the most of your time at Jupiter, Davie, Boca, or as an on-line student. Mentored students are motivated; they earn higher grades and are more likely to stay at FAU after their first year. Our mentors are peers, faculty, graduate students, and staff. You tell us what you are looking for in a mentor and we will help you find the right match.

If you have a quick question or aren't sure where to find an answer or how to get involved, you can also stop by our office on the Boca campus or call us from 10 a.m. – 4 p.m. Monday – Friday. Our Peer Coaches have found success here at

FAU and can help you find YOUR way.

Center for Learning And Student Success (CLASS) (www.fau.edu/class)

As part of the Center for Teaching and Learning, the Center for Learning And

Student Success (CLASS) is available to assist all undergraduate students throughout their academic journey. CLASS cultivates student success and academic excellence by developing academic support and engagement programs that guide students to a future of lifelong learning.

14

CLASS, under the Division of Undergraduate Studies, coordinates:

1. Learning Communities (LC): The Learning Community program on the Boca Raton campus offers incoming freshmen the unique and engaging opportunity to enroll in courses with 20-24 incoming freshmen with similar academic goals and interests.
2. Supplemental Instruction (SI): A series of weekly study sessions for students taking historically difficult courses. SI is open to all students who want to improve their understanding of course material and improve their grades. Attendance is voluntary. SI is a chance to get together with people in the class to compare notes, to discuss important concepts, to develop strategies for studying and learning the subject and to test themselves before the professor does.
3. Tutoring programs: CLASS Tutoring Services provides free group tutoring by peer tutors in content-area courses. Peer tutors help improve performance in a difficult course by modeling effective study techniques and breaking down difficult concepts. Peer tutors are successful students who have earned at least an "A-" in the courses they tutor, have been recommended by their professors and have been trained in tutoring techniques through the tutor training program.
4. eLearning: The eLearning academic support services provides students with resources to facilitate a successful online learning experience. The focus is to assist students with the integration of technology into fully online courses.

CLASS is located within the Center for Teaching and Learning in General Classroom South (GS-2, room 223). The CLASS office is open 8 a.m. to 7 p.m. Monday through Thursday, 8 a.m. to 5 p.m. Friday and 1 to 5 p.m. Sunday. For information, visit www.fau.edu/class, call 561-297-0906 or email stay@fau.edu.

Need Help? Just Ask! (www.fau.edu/studentresources)

A new group of students and their families arrive at FAU each semester. In order to assist our campus visitors during this busy time, the Divisions of Student Affairs and Academic Affairs partner together to roll out the red carpet with our Need Help? Just Ask! customer service campaign. As you walk around any of our campuses during the first week of classes, or during any large University event throughout the year, you will notice campaign volunteers wearing red lanyards, offices displaying blue posters and special canopies with banners. Have a question? Need directions? Not sure where to get services or purchase books? Stop in at a help desk. Ask a friendly Owl volunteer or check out our information clearinghouses at our Student Resources website and the interactive campus map.

FLORIDA ATLANTIC UNIVERSITY PRIDE

FAU ALMA MATER

With the Gulf Stream breezes blowing
 The search for truth goes on.
 Seeking, learning, sharing knowledge.
 Finding the meaning of the past that is gone.
 Where nature beams with pleasant weather.
 We strive to learn to work together.
 Florida Atlantic, we praise and hail thy name.
 Dreaming, daring and succeeding, Bold and wise and strong,
 Always learning, always leading, Knowing there's a place where we all belong,
 From so many different nations, We vow to future generations,
 Florida Atlantic, we Owls will make you proud.

FAU FIGHT SONG
