

General Information

Mexico City is the second largest campus at Tecnológico de Monterrey with over 8,000 students enrolled in high school, undergraduate and graduate programs, as well as 200 exchange students every semester and more than 50 every summer. We are located in the southern part of Mexico City, a true contemporary megalopolis filled with contrasts and diversity, characterized by a variety of museums, theatres, cinemas, festivals and entertainment that are hard to find anywhere else.
