The number of scholarships specified in the Appendix of this call may vary in each of the resolutions that may be adopted. Depending on the conditions of the candidates who apply to it, it can even be deserted as assessed by the Selection Committee for each program.

The effectiveness of the scholarship is conditional on the teaching of the Master Program in the academic year 2022-23.

Requirements for Applicants

The applicants have to comply with the legal requirements to be enrolled in Spanish graduate studies. Applicants for these scholarships must have previously applied for admission to the Master Program of their interest, which involves the payment of the prescribed fee, through this web:

<https://www.uc3m.es/postgraduate/admission>

Selection Criteria

Each master program has a Selection Committee, which will rank student applications according with students':

1. Previous studies, academic records and Curriculum Vitae.
2. Economic situation, personal situation and scholarship statement of the candidate, granted or applied for economic reasons, properly accredited and other postgraduate studies. The recognized prestige of the university where the student was enrolled for his or her previous studies may be taken into consideration, as well as the expenses associated with travel and / or accommodation of the students.

Regulations on Incompatibilities

These scholarships are compatible with any other type of scholarship, subsidy, or financial aid of the same nature, unless if the sum of both implies an amount higher than the tuition fee of the program.

Types and numbers of scholarships

The number and type of scholarships by program are shown at the Appendix.

The scholarships will become effective during the first academic term.

Therefore, they will only cover the cost of credits enrolled for the first time.

Obligations of the awarded students

To pay the reservation fee within the time limits and formalizing the enrollment in the form of an installment payment of all tuition credits assigned to the subjects of the Masters' program.

Application submission and Requirements

The application and the required documentation have to be submitted through the electronic forms that are found on the following link:

<https://www.uc3m.es/postgraduate/aid/main/2022>

The different application periods of the students will be on the following dates:

First period: **from December 4, 2021 until January 31, 2022 .**

Second period: **from February 1, 2022 until March 31, 2022.**

Third period: **from April 1, 2022 to May 31, 2022 .**

Graduate Admission Office after the aforementioned periods will publish on the web the partial selection of students awarded with scholarships.

This abstract was last updated December 2, 2022 and has an informative role.

Please note that it cannot be guaranteed that this document available online exactly reproduces the officially adopted text. The detailed legal rules of these scholarships' announcement are in Spanish and can be found at:
