

INSTITUTO DE ESTUDIOS CLÁSICOS “LUCIO ANNEO SENECA”

DAILY LIFE AND NORM IN ROME

A cycle of lectures coordinated by

CONSUELO CARRASCO GARCÍA

(UC3M - Instituto “Séneca”)

Does the political organization of a society determine its legal norms? Is the family a social institution regulated by law? What to believe in and why (religion in Rome). Who worked and under which legal regime as lawyers, doctors, shoemakers or farmers? Who had the political functions? How did the Romans spend their free time (gladiatorial fights, chariot races, theatre and literature)? All these interesting questions concerning ancient Rome, the basis of Western culture, will be dealt with by specialists from different fields (Law, Classical Philology, Papyrology ...), from different Spanish and foreign universities. Anyone interested, from within or outside the university, will be welcome.
