ACCESS TO RESERVATION AND PAYMENT SYSTEM

Once you have received notification of FINAL or CONDITIONAL acceptance, you must pay a deposit to reserve your place in the appropriate Master program.

You can do it this way:

- Access with the same username and password that you used in your application, directly from [this link](#)

VERY IMPORTANT: All admitted students must pay this deposit to reserve a place in the master program. If you have a scholarship or you get it afterwards, appropriate adjustments will be done upon registration and you can request the fee refund.

ONLY IN CASE OF HAVING ANY OF THE CIRCUMSTANCES DESCRIBED IN THE FOLLOWING LINK (SPECIAL LARGE FAMILY, DISABILITY, VICTIM OF GENDER VIOLENCE, VICTIM OF TERRORIST ATTACKS, PARTICIPANT IN INTERNATIONAL PEACE AND SECURITY OPERATIONS, BENEFICIARY OF THE MINIMUM LIVING INCOME) WILL THE STUDENT BE EXEMPTED FROM PAYING THE RESERVATION FEE, WITH PRIOR JUSTIFICATION AND PROVIDED THEY MEET THE REQUIREMENTS DESCRIBED ON OUR WEBSITE:

[PRICE REDUCTION AND EXEMPTION](#)

IMPORTANT: The reservation payment amount will **ONLY** be returned:

- if the **masters program is cancelled**. In that case, the student can either change his/her place reservation for another official masters program or obtain a refund on the deposit, in the SAME academic year.

If you have forgotten your username or password, click on the following [link](#)

The image shows a login form for Universidad Carlos III de Madrid. At the top left, the logo 'uc3m' is displayed next to the text 'Universidad Carlos III de Madrid'. Below the logo, the text 'Sign in' is centered. The form contains two input fields: the first is labeled 'User' with a person icon, and the second is labeled 'Password' with a lock icon. A blue 'Log In' button is positioned at the bottom right of the form. At the very bottom of the page, there is a small link that says 'Click here if you can not see this page correctly'.

Enter your username and password: same data that you used to make the application (**ID / Passport** and your **password**)
