DECEMBER EXAMS CRITERIA FOR THE SUBJECTS INCLUDED IN THE ORDINARY SESSION OF THE FIRST SEMESTER

FIRST

In order to prioritize the exams included in the period of December during the ordinary session of the first semester, Schools that have it established in their calendar for the 2021-2022 academic year, will follow this CRITERIA:

1. Subjects with higher proportion of incoming students.
2. 3 ECTS Compulsory and Elective subjects.
3. 6 ECTS Elective subjects.
4. The other subjects.

Additionally, in the case of equality of criteria between two or more subjects, the subject that has had less repeaters in the previous academic year/course will prevail.

SECOND

Each School will determine, according to what is established in the FIRST section, the relation of subjects that will have its official exam date programmed in December. It is required a balance between the number of days defined for every period of exams (December and January) and the number of subjects in each period of exams.

The exam programming of the Schools will have the participation of the corresponding Students' Delegation.

When the exam period set by the School for the first semester is subdivided into two periods, the publication of continuous evaluation grades must be done 5 days (at least) before the beginning of every period of exams (Regulation approved by the Governing Council, May 11th, 2011).
